Meet authors **Cindy Sample**, **Gail Halverson**, and **Michelle Mahan**

Cindy Sample has published nine books and is a five-time nominee for the LEFTY Award for Best Humorous Mystery, a two-time Silver Falchion Finalist for Best Traditional Mystery, a 2015 Next Generation Finalist in Humor and Mystery, and the winner of the 2011 Northern California Publishers & Authors' Fiction Award. Her new series will take place in Washington State.

Award-winning writer, **Gail Avery Halverson**, is the author of *The Boundary Stone*, a historical romance set in 1665 England at the time of the Great Plague. *The Boundary Stone* is a Chaucer Award Finalist (historical fiction), a Cygnus Award Finalist (speculative fiction), and a Chatelaine Award Winner (historical romantic fiction).

Michelle Mahan (author pseudonym, Mia McDaniel) has just published her first book, *My Father's Burning in Hell*, a courageous memoir in which the author exposes a shocking family saga of entanglement and abandonment, betrayal, and brainwashing. Published by Rare Bird Lit, one reviewer wrote, "It has been said that everyone has a story, but not every story is as compelling as Mia McDaniel's. I had no idea what to expect as I began reading the book, but from the very moment I picked it up, I could not put it down."
